PRESENTATIONS

The FGFOA does not print session presentation handouts. They will be posted on the FGFOA website as they are received from our speakers. Visit the School of Governmental Finance page at fgfoa.org under Training and Education. If there is not a presentation posted for a session or speaker, we have not received it yet. While we encourage that presenters provide us with their presentations in advance, we do not receive all of them.

Self-Scanning Stations:

Self-scanning stations will be used at the SOGF and will be located outside each of the classrooms. The FGFOA technical staff will be on-site to assist with any issues encountered with scanning.

SPEAKER/SESSION SURVEYS

Speaker/Session Evaluations:

Feedback from attendees on the quality and diversity of the FGFOA School of Governmental Finance helps to determine future conference programs. Please remember to complete the online survey at fgfoa.org.
